# FOREWORD

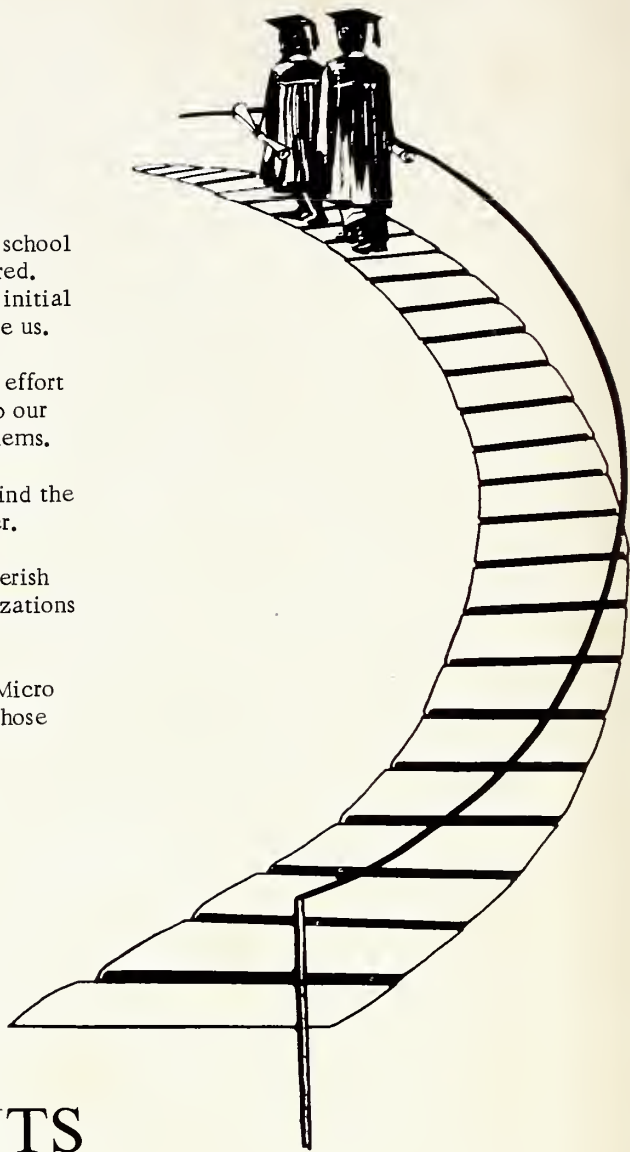

The period in which we live and of our graduation from school offers a privilege for service to any person who is well prepared. May we think of the years spent at Micro High School as the initial period in this preparation for the opportunities that lies before us.

Through our continued sacrifices and with a determined effort to achieve perfection in our selected vocations, we may help our community to find a solution to many of its perplexing problems.

Now the time has come for us to part. As we leave behind the cherished memories that have endeared us to our Alma Mater.

As we move on to blaze new trails, may we stop and cherish those memories once again through the activities and organizations that helped us to establish them.

This yearbook we offer to the 1964 graduating class of Micro High School. Many years from now we may want to relive those days spent at our dear Micro High School.

# IN MEMORIAM

On May 6, 1961, Rose Marie Aycock was fatally injured in a tragic automobile accident.

Our Senior Class takes this opportunity to pay final tribute to a classmate and friend. Rose will always be a special part of us, and she will always remain dear to our hearts. Her personality, character, and friendliness made Rose the lovable person that she was.

We know not the task for which Rose was called to perform, but we are sure that a qualified person was taken from our midst.

## Class Song

We are the class of 1964,  
Loyal to each other now and ever more;  
At work or play, our spirits always high;  
Striving ever onward is our motto cry.

We've been as one now for many a year;  
Soon we'll be leaving the school we love so dear.  
Friendships made here will be remembered still,  
The world is called to us; 'Come your place fulfill.'

## Class Motto

Striving ever onward

## Class Colors

Red and White

## Class Poem

Together we have stormed the years,  
Have downed defeat and conquered fears;  
Together we have climbed the hill--  
Have clung together--good or ill.

A special talent marked each one,  
Their shoulders thus to wear upon,  
Mantles of achievement gay  
That helped them reach Commencement Day.

A merry class! A lively class!  
There's none our humor could surpass.  
We sang and danced and grew more gay  
As nearer drew Commencement Day.

In history never will there rise  
Our like again, we dare surmise.  
First in work and first in play!--  
What higher praises could one say?
